

Executive Certificate in

Growth Hacking and Data-Informed Marketing

EP119A

The programme aims to enhance the concepts and skills for modern marketers who wish to improve their job performance. Participants will learn the concepts and tools of digital marketing, understand the successful cases in growth hacking marketing, and employ digital growth tools to maximize marketing performance.

Programme Structure

- The programme will be taught in part-time face-to-face mode
- It consists of 30 hours of lectures/workshops and group presentation on weekday evenings
- Lecturer will use real case studies for discussion and analysis
- Learning experience will be further enhanced by requiring students to complete a group project

Entry Requirement

Applicants shall hold:

- a bachelor's degree awarded by a recognized university or equivalent; or
- an Associate Degree / a Higher Diploma or equivalent, and have at least 2 years of work experience; or
- relevant professional qualifications (e.g. sales, marketing, digital marketing, and social media marketing).

Applicants with other qualifications and substantial senior level work experience will be considered on individual merit.

Course Fee

Standard : HK\$7,000

Early Bird Rate: HK\$6,500

Alumni Rate: HK\$6,500

All fees are subject to change without prior notice

Programme Delivery

Duration: 2 months

Venue: HKU SPACE Learning Centre
(Hong Kong Island)

Executive Certificate in Growth Hacking and Data-Informed Marketing

On completion of the programme, students should be able to

1. apply the growth hacker mindset in marketing;
2. develop a map for organization's digital presence;
3. devise a data strategy for digital interactions; and
4. apply the digital marketing tools in attracting and retaining customers.

Application Procedure

Completed the application form (SF26) and submit it with one set of the following documents together with application fee HK\$150 to any of the HKUSPACE enrollment centres.
