QR Registration No.: 19/001282/L6
Validity Period: 01 Feb 2020 - on-going

Introduction

The programme provides students with the conceptual background supporting leisure and recreation, policy, resources, social theories of ageing, age-related issues, quality lifestyle and wellness practice as well as professional skills concerning assessment, planning and evaluation in relation to recreation programming for older adults. Ultimately students should be in a position to empower older adults to manage their recreation potential in their chosen lifestyle.

Programme Highlights

The programme aims to optimise the employment opportunities of graduates in the field of recreation and ageing and to ensure the ongoing development and acquisition of professional knowledge, skills, and abilities necessary for the provision and management of leisure and recreation programmes in a variety of settings. It aims to create in students an awareness of active ageing with its health, recreation, employment, education and social implications.

Entry Requirement

Applicants should normally hold a bachelor's degree from a recognized institution in an appropriate subject, for example sport, exercise, social sciences, health, recreation management, or equivalent.

If the bachelor's degree, or equivalent qualification, is from an institution where the language of teaching and assessment is not English, applicants shall provide evidence of English proficiency such as:

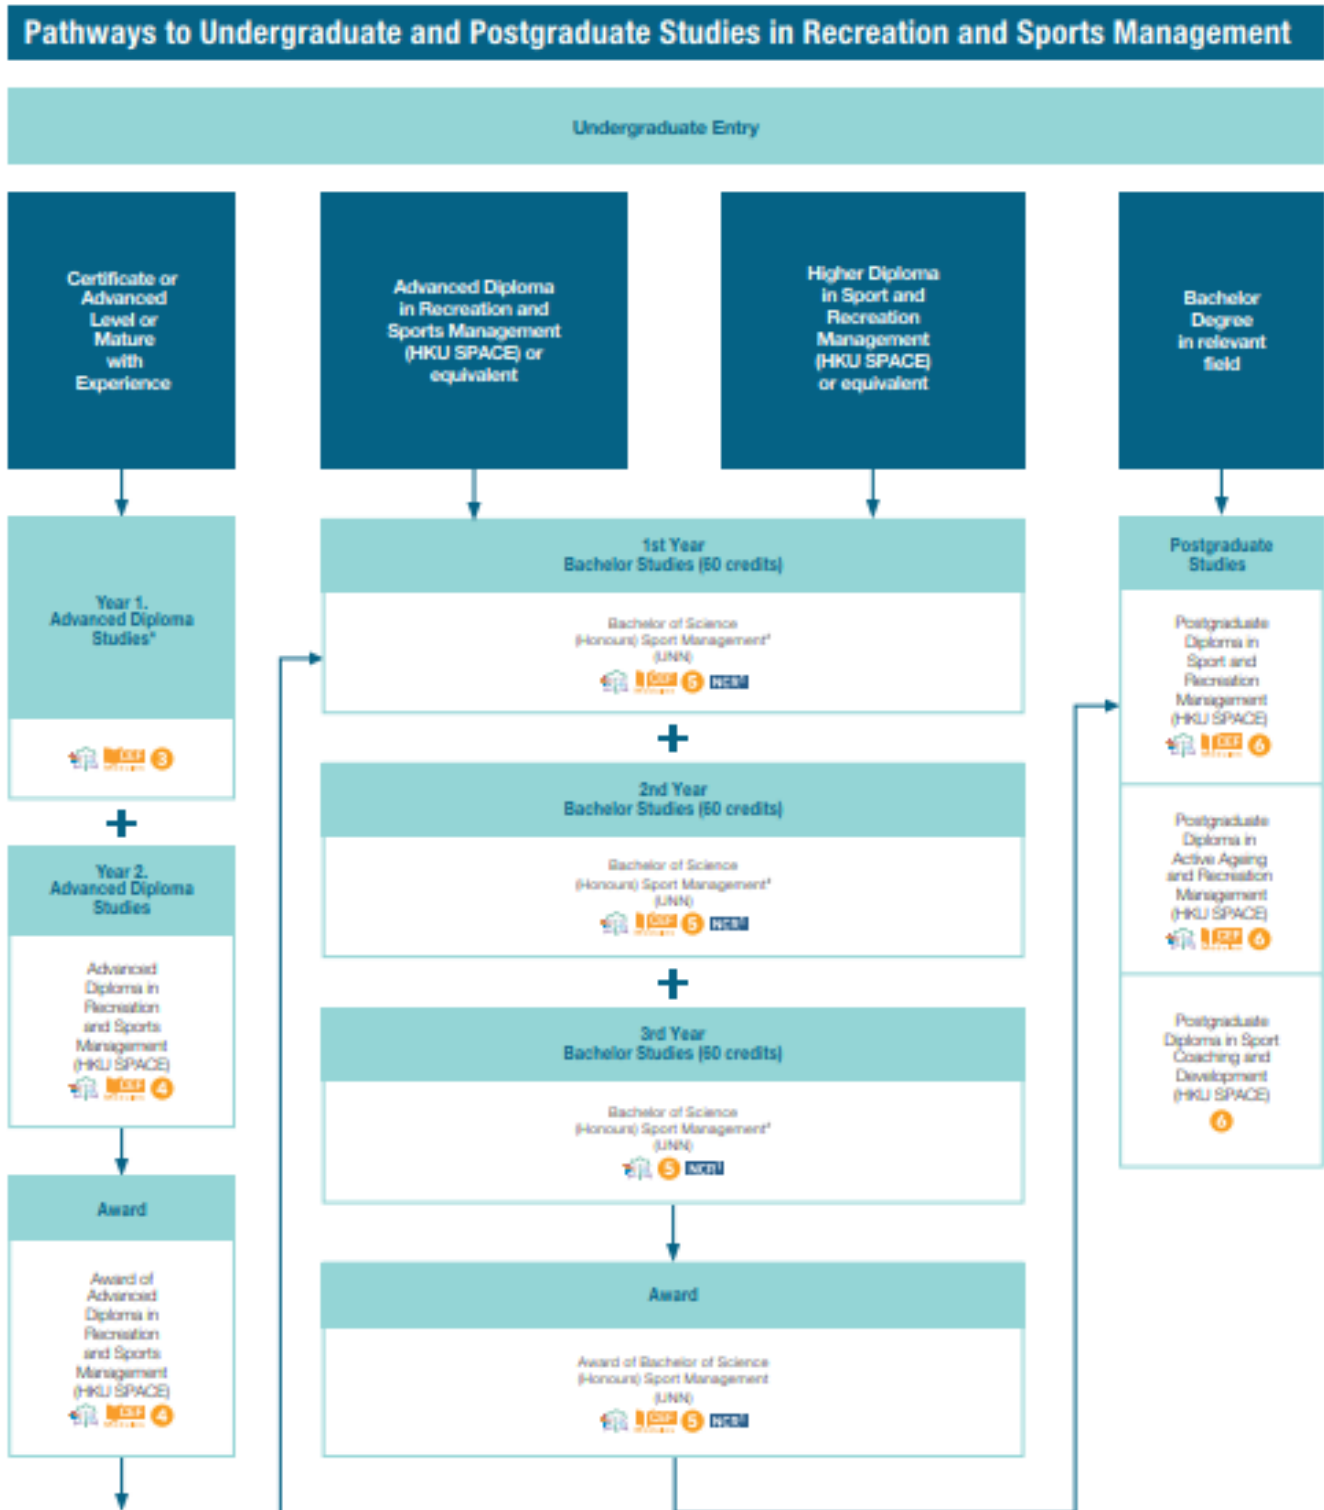

1. an overall band of 6.0 or above with no subtests lower than 5.5 in the IELTS; or
2. a score of 550 or above in the paper-based TOEFL, or a score of 213 or above in the computer-based TOEFL, or a score of 80 or above in the internet-based TOEFL; or
3. HKALE Use of English at Grade E or above; or
4. HKDSE Examination English Language at Level 3 or above; or
5. equivalent qualifications.

Consideration will also be given to applicants who do not fulfill the academic requirement but who can demonstrate senior practitioner experience in a related industry. Such applicants shall have to provide evidence of English proficiency as listed above.

Teaching and Assessment

All modules will be taught through face-to-face classes conducted by HKU SPACE lecturers who are qualified academic and professional staff with extensive teaching experience at tertiary level.

The programme incorporates a wide variety of assessment methods enabling the ways in which student achievement is measured and evaluated to be appropriate to the learning outcomes of each module. Each taught module will be assessed on the basis of coursework (100%) and the pass mark is set at 50%.

* University of Northumbria at Newcastle, UK (UNN) has recognized the Advanced Diploma in Recreation and Sports Management and Higher Diploma in Sport and Recreation Management awarded within the HKU SPACE system through HKU SPACE for a credit transfer of 180 credits. Students will need to require a further 180 credits to complete the entire programme.

* This programme is also offered on a full-time basis for 18 months.

* Students who choose to exit after completing the year 1 modules of the programme will be awarded a Diploma in Recreation and Sports Management.
