Academic Certificate Verification Platform at HKU SPACE

The HKU School of Professional and Continuing Education (HKU SPACE) utilizes the Academic Certificate Verification Platform (ACVP) implemented and operated by the Joint Universities Computer Centre (JUCC) as a secure system for managing, verifying, and sharing academic credentials. The ACVP uses blockchain technology and enhances the reliability and efficiency of academic credential verification. Sharing of academic credentials with third parties such as employers and education institutions can be authorised by graduates and done simply through a link, a QR code, or a PDF file. At the present stage, ACVP is available for the sharing of award parchments by graduates who complete a part-time, locally accredited, postsecondary (i.e. QF Level 4 and above) programme awarded within the HKU System through HKU SPACE from 1 January 2026 or thereafter. Students may, however, indicate the wish to not participate in the ACVP by signing an "Opt-Out Statement". The "Opt-Out Statement" document is downloadable at the School Website (https://hkuspace.hku.hk/teaching-and-learning/academic-certificate-verification-platform).
