Statement on Collection of Personal Data

1. It is necessary for applicants to supply their personal data and to provide all the information requested in the application documents, as otherwise the School may be unable to process and consider their applications.

2. The personal data provided in this form will be used for processing your application for admission, and for registration, academic and administrative communication, alumni management and contacts, research, statistical and marketing (including direct marketing) purposes. The data will be solely handled by HKU SPACE staff but may be transferred to an authorised third party providing services to the School in relation to the above purposes and prescribed purposes as allowed by the law from time to time.

3. When the processing and consideration of all the applications for a particular programme have been completed: (a) the application papers of unsuccessful candidates will be destroyed if you have indicated to receive our promotional materials in Paragraph 6 then your contact details and related papers would be retained for such purposes; and (b) the application papers of successful candidates will be returned to the applicant’s official student records and will be handled by HKU SPACE staff or by staff of an authorised third party providing services to the School in relation to the stated purposes. In all such circumstances, please be assured that any personal information you supply will be kept strictly confidential.

4. Upon enrolment, applicants will be required to submit a recent colour photo for student identification purpose.

5. The School will send urgent messages to students via Short Message Services (SMS) and supplement by other means such as email (if the need arises). It is therefore important that the mobile phone and email address that the applicant provides are accurate. Any change should be reported to the School immediately. Those who have genuine difficulty in receiving urgent messages via SMS should contact the programme teams for separate arrangements.

6. From time to time, the School will send the latest updates and promotional materials to applicants/students and alumni on the availability of the programmes and courses, seminars and events, discounts and offers, clinics and other services as well as the alumni events, privileges and offers, networking opportunities and fund-raising initiatives through various communication channels such as direct-mail, email and mobile phone, by using your personal data (including, but without limitation to, your name, contact details and other information collected in your profile such as the programme(s) you enrolled, your graduation year etc). You always have the right to make subsequent changes on your choice of receiving further marketing materials by sending a written unsubscribe request (by email or by post) to the School at any time.

If you DO NOT WISH to receive our latest updates and promotional materials through the communication channels as stated above, including discounts and offers from time to time, please check this box. [ ]

7. Under the provisions of the Personal Data (Privacy) Ordinance, applicants have the right to request the School to ascertain whether it holds your personal data, to be given a copy, and to apply for correction of the data, if deemed incorrect. Applications for access to personal data should be made by using a special request form and on payment of a fee. Such applications for access of information should be addressed to the Data Protection Officer, HKU SPACE. For general requests of personal data amendment, please fill out the “Application Form for Personal Data Amendment” and submit it to HKU SPACE.

8. For details on the School’s policy on personal data (privacy), please refer to the School Prospectus or Website.

General Notes to Applicants

1. Enrolment can be done in person at any of the School’s Enrolment Counters by completing this application form and submitting it with the appropriate fee and relevant documents. You can also mail to the “34/F, United Centre, 95 Quennanwy, Hong Kong” specifying “Course Application”.

2. Fees paid by crossed cheque or bank draft should be made payable to “HKU SPACE”.

3. For general and short courses, applicants may be required to pay the course fee in cash or by EPS, Visa or MasterCard if the course will start shortly.

4. If admission is on a first come, first served basis and if you do not hear from us before the course starts, you may assume that your application has been accepted, and should attend the course as scheduled.

5. If admission is by selection, the official receipt is not a guarantee that your application has been accepted. We will inform you of the result as soon as possible after the closing date for application. Unsuccessful applicants will be given a refund of programme/course fee if already paid.

6. If you do not know the teaching venue within 3 days of the starting date of the course, please check with the relevant programme team.

7. Course fees paid are not refundable except as statutorily provided or under very exceptional circumstances (e.g. course cancellation due to insufficient enrolment).

Notes to Non-local Applicants

To study in Hong Kong, all non-local applicants are required to obtain a student visa issued by the Immigration Department of the HKSAR Government, except for those admitted to Hong Kong as dependants, who do not need prior approval before taking up full-time and part-time studies. Non-local applicants issued with a valid employment visa also do not need prior approval to pursue part-time studies. It is the responsibility of individual applicants to make appropriate visa arrangements. Admission to a HKU SPACE academic programme/course does not guarantee the issue of a student visa. Applicants may wish to note that part-time courses are generally not considered by the Immigration Department for visa purposes except for self-financed, part-time locally accredited taught postgraduate programmes awarded within the HKU System through HKU SPACE.
