

# Postgraduate Diploma in Enterprise Risk Management

**AC024A**

Information Seminar:  
Register online!

The programme aims to teach students techniques to analyze contemporary risks and provide solution to real life business issues, making high-level executive decisions and strategic planning in the marketplace. It is UNIQUE in terms of its scope of diversity and its specialist focus.

## Programme Structure

The programme consists of following modules, duration of each module ranges from 33 to 36 contact hours. Having successfully completed six modules, which consist of two core modules, one 12-credits and three 9-credits elective modules, students will be awarded with a Postgraduate Diploma.

|                              |                                                                                                                                      |                                                                                                                                                                                                                                                                                                                                                                                                                              |
