Statement on Collection of Personal Data

- It is necessary for applicants to supply their personal data and to provide all the information requested in this application form, as otherwise the School may be unable to process and consider their examination/entry test results and their applications.
- The personal data provided in this form will be used for processing your application for admission, and for registration, academic and administrative communication, alumni management and contacts, research, statistical and, where applicable, marketing purposes. The data will be solely handled by HKU SPACE staff.
- When the processing and consideration of all the examination results and the applications have been completed: (a) the application papers of unsuccessful candidates will be destroyed; and (b) the application papers of successful candidates will serve as part of the applicants' official student records and will be handled by HKU SPACE staff.
- The School will send urgent messages to students via Short Message Services (SMS) and supplement by other means such as email (if the need arises). It is therefore important that the mobile phone and email address that the applicant provides are accurate.
- Under the provisions of the Personal Data (Privacy) Ordinance, applicants have the right to request the School to ascertain whether it holds your personal data, to be given a copy, and to apply for correction of the data, if deemed incorrect. Applications for access to personal data should be made by using a special request form and on payment of a fee. Such applications for access of information should be addressed to the Data Protection Officer, HKU SPACE. For general requests of personal data amendment, please fill out the "Application Form for Personal Data Amendment" and submit it to HKU SPACE.
