MA Arts and Cultural Enterprise is the first-of-its-kind master programme offered in both London and Hong Kong by Central Saint Martins, a leading institute in art and design education for 150 years under UAL, a world top 2 university for art and design.

This Masters Programme acknowledges that we are living in a fast-changing, globalised world, which presents a great number of opportunities and challenges for cultural innovation. It takes these changing conditions as a starting point to engage you in developing new knowledge and skills in order to manage cultural projects in the UK and around the world. It has been developed specifically in response to an increasing need for multi-skilled individuals who can both generate the ideas for original arts and cultural events, as well as provide leadership for the teams that realise them. These individuals will be dynamic, responsive, and fluent in public and private sectors, and have the ability to collaborate and develop networks.

- R** The standard entry requirements for this course are as follows:
- An honours degree from disciplines such as fine art or design, the humanities, social sciences, politics or economics, or other areas of creative practice such as performance
 - OR an equivalent EU/international qualification
- AND a minimum of two years of work experience in the arts, design, performance or creative business management and administration sectors. The course will not recruit from end-on students (i.e. those progressing directly from undergraduate degrees).
