Certificate for Module (Advancing the Management of Long-term Conditions [Health & Social Care Professions])

Programme Code: HS203A

Application Code: 2075-HS203A

3762 0833

timothy.yeung@hkuspace.hku.hk

This programme focuses on critically applying knowledge and understanding to support service development for people with long term conditions; promoting self-management and collaborative working. This programme is based on best practice discussed within national and international policy and guidelines. It will explore in depth the impact of long-term conditions on the individual, their family and carers. The programme aims to encourage practitioners to further develop their knowledge and skills in order to maximise person centred care during routine practice and develop services to support individuals with long term conditions' in line with health and social care policy.

R Applicants shall be health or social care professionals who hold a bachelor's degree with second class honors or equivalent in any subject awarded by a recognised university. If the degree or equivalent qualification is from an institution where the language of teaching and assessment is not English, applicants shall provide evidence of English proficiency such as:

Certificate for Module (Supporting the Needs of the Frail Older Person [Health & Social Care Professions])

Programme Code: HS204A

Application Code: 2065-HS204A

3762 0833

timothy.yeung@hkuspace.hku.hk

This programme aims to develop a deep and critical understanding of the impact of frailty on an individual's health and well-being, both physically and psychologically. It will provide students with an opportunity to debate and evaluate evidence based, person centred strategies and/or interventions (such as falls management) for active ageing, self-management and independence, in an inter-professional context. Students will critically evaluate the application of these approaches in their own individual practice area.

R Applicants shall be health or social care professionals who hold a bachelor's degree with second class honors or equivalent in any subject awarded by a recognised university. If the degree or equivalent qualification is from an institution where the language of teaching and assessment is not English, applicants shall provide evidence of English proficiency such as:

- (i) HKDSE English Language Level 3 or above OR
 - (ii) HKALE Grade D or above OR
 - (iii) HKCEE English Language Grade C (Syllabus B) (obtained before 2007) or Level 3 (obtained after 2007) OR
 - (iv) an overall band of 6.5 average with no subtests lower than 5.5 in the IELTS OR
 - (v) equivalent qualifications.
- Applicants with other qualifications will be considered on individual merit.
