

Executive Certificate in Knowledge Management

Programme Code: EP046A

Application Code: 2075-EP046A

☎ 3762 0051

✉ infolis@hkuspace.hku.hk

The programme is suited to prepare professionals or administrators who have to take their leadership in preparing and continuing the implementation of Knowledge Management in the areas of organising and improving knowledge capturing, creation, application and sharing in their organisations. Various aspects of knowledge management as well as the application of technology in this field will be covered. Participants will experience the use of tools in knowledge management, such as After Action Review, Action Learning and Knowledge Creation. Current practices of various KM Models will be discussed. Case studies will be used and examples of local organisations will be shared.
