Postgraduate Certificate in Aviation and Big Data Applications

Programme Code: IT103A

Application Code: 2150-IT103A

3762 0051

d.chau@hkuspace.hku.hk

The programme is designed for aviation practitioners who possess working experience in the aviation industry and would like to learn the latest knowledge and skills of big data applications in the aviation environment. The programme would cover the basic concept and application of big data analysis, and its best practice to support the aviation business decision making. Students will also learn the importance of data organisation, the relevant privacy and ethics requirements of data application.

HK\$21,930 per programme
Application Fee: HK\$150
