Hong Kong is an international aviation hub, the demand of travelling in both commercial and business aviation is very high. With the new terminal and the third runway project undergoing in the Hong Kong International Airport, as well as the opening of the Hong Kong-Zhuhai-Macau Bridge, the scale and demand of aviation service of Hong Kong International Airport would further expand. The demand of business aviation is emergent and is particularly high in some Asian cities/countries such as China, Macau, and Singapore. Private jet travel will become more popular in the new era of growth.
