Executive Workshop "Rise and Fall of Gemstones"

Programme Code: MKTG9215

Application Code: 2145-2739NW

☎ 2867 8313

✉ cmmarketing@hkuspace.hku.hk

This course is an overview of the commercial environment of the jewellery industry through the historical stories of gemstones. Participants will learn the historical factors that cause the rise and fall of gemstones like diamond, ruby, sapphire, emeralds, and more. Knowing these history and stories would help participants understand why some origins and/or trade names cost more than the others. In a broad level, participants would appreciate the dig-to-wear cycle of major gemstones.

Technology not only creates more possibilities for artists, but it also brings tremendous opportunities for the art industry including the art market. For Hong Kong, despite the challenges faced by the territory in the past two years, Hong Kong has now overtaken London as the second-biggest contemporary art auction market in the world after New York. ArtTech is therefore a blue ocean that poses great potential for Hong Kong to flourish and thrive in the global art scene.
