### Internal Audit of ISO 15189 Laboratory Quality Management Standard

Programme Code: LMLS9013

Application Code: 2260-1085NW

2520 4618

rosie.so@hkuspace.hku.hk

This course, intended for potential internal auditors and laboratory supervisors, incorporates requirements of the ISO15189 standard and auditing knowledge and skills; provides guidance to participants in establishing and maintaining internal audit procedures in the laboratory. It also facilitates clinical laboratories to self-assess their quality compliance status through gap analysis prior to accreditation assessment.

### Certificate for Module (Supporting the Needs of the Frail Older Person [Health & Social Care Professions])

Programme Code: HS204A

☎ 3762 0833

✉ timothy.yeung@hkuspace.hku.hk

This programme aims to develop a deep and critical understanding of the impact of frailty on an individual's health and well-being, both physically and psychologically. It will provide students with an opportunity to debate and evaluate evidence based, person centred strategies and/or interventions (such as falls management) for active ageing, self-management and independence, in an inter-professional context. Students will critically evaluate the application of these approaches in their own individual practice area.

R Applicants shall be health or social care professionals who hold a bachelor's degree with second class honors or equivalent in any subject awarded by a recognised university. If the degree or equivalent qualification is from an institution where the language of teaching and assessment is not English, applicants shall provide evidence of English proficiency such as:
