The success of an organisation is highly dependent on its people. Yet there is no "one-size fit all" strategy for managing people. This is because each person is an individual, with a distinctive personality that influences the way one thinks and acts.

This programme aims to equip students with the fundamentals of an individual's psychology (personality, learning, perception & memory) and examines why behaviours often change in group settings. It also discusses factors that may affect an organisation – power, politics, ethics, conflicts and organisational culture, as well as the psychological impact of change on employees and the importance of managing such change in an organisation.

R Applicants shall:

- (a) have gained in the HKDSE Examination Level 2 in 5 subjects including English Language and Mathematics;

OR

- (b) (i) have gained in HKCEE Grade E in 4 subjects (including Mathematics) and Level 2 in English Language, OR equivalent; AND

OR

- (c) hold a HKQF level 3 or equivalent Certificate in human resource management, business or related discipline.
