The Graduate Diploma in English and Hong Kong Law (CPE) offers a unique—and affordable—route towards legal practice in both Hong Kong and England & Wales. For more than 25 years, the programme has been one of the most popular pathways for degree holders in other disciplines to switch to a legal career, with large numbers of graduates now working as successful solicitors, barristers and, in some cases, even judges. Course fees are much lower than on many other part-time programmes in Hong Kong for students seeking a pathway to legal practice.

R Applicants should normally hold, or expect to be awarded in the current academic year, a degree in a non-law discipline or an acceptable degree equivalent. Students who have completed the Advanced Diploma in Legal Studies offered by HKU SPACE (or who will complete the programme in this academic year) can also apply, even if they do not hold a university degree. Mature applicants aged 25 or above may also apply under some circumstances, even if they do not hold a university degree.
