

Certificate in Swedish (Introductory)

Programme Code: EU029A

S

2975 5681

jaime.tong@hkuspace.hku.hk

The programme aims to:

- Introduce students to simple phrases and sentences used in basic conversation, e.g.: introducing oneself, greeting, reserving a hotel room, ordering food and drink, talking about your job, finding your way around town, talking about likes and dislikes and holidays.
- Give students the basic grammar and vocabulary needed for simple communication, e.g. present tense forms, adjectives, articles, basic modal verbs, and prepositions of place.
- Provide students with the techniques needed to listen with confidence to simplified, everyday dialogues when spoken clearly and slowly.
- Introduce students to some areas of Swedish culture such as food and drink, greetings, festivals and places.
- Enable students to extract information from very simple written texts such as forms, menus and short, simplified articles, and to write short simple emails or messages and fill in information on a form, e.g. hotel registration form.

- R** Applicants shall have:
- no previous or little knowledge of Swedish, and
 - sufficient English proficiency to follow simple explanations in English.

Online Beginners' Finnish 1

Programme Code: OEUR9035

S

2975 5681

jaime.tong@hkuspace.hku.hk

This real-time online course is designed to cater for complete beginners of Finnish. The course will offer students a first taste of the language, focusing on oral communication, basic grammar and lexicon. The students will practise the language in an interactive way, whilst at the same time learning a little about the culture of Finland and its inhabitants. The course is not exam-based.

Why Finnish?

- Finnish is one of the official languages of Finland as well as the European Union;
- This Uralic language can broaden your horizon and bring you a new world perspective;
- Finnish is easier than many other European languages with its gender neutrality, absence of future tense and straightforward pronunciation system;
- Finland has been the happiest country in the world since 2018, according to the World Happiness Reports;
- Finland features one of the best higher education systems in the world with nine universities ranking among the top 3%;
- Strong prominence around the world with different famous brands in various fields such as electronics and design.

R No previous knowledge of Finnish is required, though applicants should be competent in English.

European Botanical and Floral Art and Design

Workshop (East Meets West • Lunar New Year Blooms)

Programme Code: OEUR9052

This workshop draws inspiration from European aesthetic elements, incorporating lines, textures, colors, and proportions into indoor floral design for Lunar New Year, one of the most important, traditional festivals for Chinese people. The aim is to blend the essence of Eastern and Western cultural arts to create unique festive floral arrangements. Participants will practise two vase floral arrangements and dining table floral designs for the Lunar New Year.

- R** Beginners who are interested in festive home decorations and floral design
- \$** HK\$1,830
- D** 2 weeks

Workshop on Designing with Europe's Iconic Blooms

Programme Code: OEUR9053

This engaging three-session workshop explores the national flowers or renowned blooms of different European countries. The instructor will showcase design themes featuring Englands roses, Italys daisies, and the Netherlands tulips. Breaking from tradition, the workshop eliminates the use of floral foam, opting instead for water and flower preservatives to extend the life and beauty of fresh flowers. Participants will learn creative techniques such as wedging, binding, clapping and weaving to enhance the natural beauty of their arrangements. Hands-on designs will include two stunning table arrangements and a wall flower decoration.

- R** Beginners who are interested in floral art and design.
- \$** HK\$2,745 (Additionally, participants are required to pay approximately HK\$980 for materials during the first session. Participants can take their products home for decoration.)
- D** 3 weeks

Workshop on European Bridal Floral Decorations

Programme Code: OEUR9054

This workshop will allow you to learn about floral design while exploring the connection between European bridal gown styles and the perfect pairing of bouquets, wrist flowers and hair accessories. Besides, participants will discover various flower types, their unique qualities, and important usage tips to highlight their beauty. Models will showcase different bouquet styles and floral decorations, exhibiting how these elements are intertwined beautifully. The practice designs include a bridal bouquet, a ring bouquet, two hair decorations for styling and Wrist flower designs.

- R** Beginners who are interested in bridal floral art and design.
- \$** HK\$3,660
- D** 4 weeks

Workshop on European Architectural Floral Art

Programme Code: OEUR9055

The four-session workshop takes a practical approach and allows participants to explore the proportions, balance, geometric forms, colour application, design principles of symmetry and asymmetry found in renowned European architecture. Participants will then apply these aesthetic elements into floral designs. They will learn various binding techniques to establish solid bases and structures so as to create four visually appealing and versatile frameworks which are to be combined into four types of flower arrangements: a decoration for dining table, a hand-tied bouquet, a potted plant arrangement and a vase flower design. This workshop showcases how artistic and functional frameworks combine with natural beauty of flowers and plants, resulting in stunning floral designs.

- R** Beginners who are interested in floral art and design as well as related European architecture.
- \$** HK\$3,660
- D** 4 weeks

Workshop on European Trendy Floral Decorations for Hats

Programme Code: OEUR9056

This workshop allows you to explore the fascinating world of European hat decorations by learning about different design styles and their reflection of the personality and fashion sense of the wearer. Our instructor will demonstrate the usage of various materials, flowers, and accessories to create unique hat decorations. You will engage with the other participants in a fun and interactive process of selecting favourite flowers and materials for accessories. Each participant will design two distinctive hat decorations to showcase their creativity and personal style.

- R** Beginners who are interested in floral decorations for hats
- \$** HK\$1,830
- D** 2 weeks
