

Certificate for Module (Paediatric Oncology for Healthcare Professionals)

Programme Code: HS240A

Application Code: 2385-HS240A

2975 5687

ymr.chan@hkuspace.hku.hk

This programme is designed to empower healthcare professionals to deliver comprehensive care specifically to paediatric cancer patients. It provides specialised knowledge in paediatric cancer diagnosis, treatment, and compassionate patient care. The programme emphasises an evidence-based and multidisciplinary approach to better support the young patients and their families.

R Applicants shall be healthcare professionals, such as Radiographers, Registered Nurses, Pharmacists, Dietitians, Social Workers, Clinical Psychologists, Physiotherapists, Occupational Therapists, or other healthcare professionals, who hold a bachelor's degree awarded by a recognised institution.

If the degree or equivalent qualification is from an institution where the language of teaching and assessment is not English, applicants shall provide evidence of English proficiency, such as:

- an overall band of 6.0 or above with no subtests lower than 5.5 in the IELTS; or
- a score of 550 or above in the paper-based TOEFL, or a score of 213 or above in the computer-based TOEFL, or a score of 80 or above in the internet-based TOEFL; or
- HKALE Use of English at Grade E or above; or
- HKDSE Examination English Language at Level 3 or above; or
- equivalent qualifications.

Applicants with other qualifications and related work experience will be considered on individual merit.

MSc Clinical Nursing

Programme Code: HS226A

King's College London

3762 0833

timothy.yeung@hkuspace.hku.hk

The Master of Science in Clinical Nursing (MSc Clinical Nursing)* is the first collaborative programme between HKU SPACE and King's College London. It is a 2-year part-time master's degree programme to offer Hong Kong students the opportunity to obtain a master's degree award from King's College London (King's), which was ranked 1st in the UK and 1st in the world in the subject of Nursing (QS World University Rankings by Subject 2025). Hong Kong graduates will become King's alumni, enhancing their career prospects, networking opportunities and global exposure. In addition, students will gain insights into the use of digital strategies in healthcare and be able to engage with institutional and wider cultures that promote patient safety.

R Applicants shall:

- 1) hold a Bachelor degree 2:1 Honours; AND
- 2) hold a current valid registration as a nurse, with two years post-registration experience being desirable; AND
- 3) meet the following English language requirements:
 - a) IELTS: 6.5 overall with a minimum of 6.0 in each skill; OR
 - b) TOEFL iBT: 92 overall with a minimum of 23 in writing and 20 in each of the other skills.

* If you have a lower degree classification, or a degree in an unrelated subject, your application may be considered if you can demonstrate significant relevant work experience, or offer a related graduate qualification (such as a Masters or PGDip).
